OUR STORY

From as early as the 18th Century, or even earlier, traders from the Middle East, India, China and Indonesia were coming to Malaya through the Straits of Malacca, merging their cuisines with all the foreign flavours and spices with the local cuisine of Malaya. This melding of tastes has evolved into the local cuisine found today in Penang, Kuala Lumpur, Malacca and Singapore. At Café Malacca, located at JEN Hong Kong by Shangri-La, we offer you this delicious Malaysian and Singapore cuisine.

Come join us for an authentic, tantalizing and taste bud tingling experience!
